

Rotary  
District 9510

2024  
Loxton Conference

### Registration:

Thanks to all Rotarians who have registered for our 2024 Rotary Conference!

This is likely to be the last opportunity to experience a Rotary District Conference such as this, as we move into the new Regionalization model – so please come along and enjoy the Fellowship in its beautiful Riverland setting

Remember – those who **Register and pay, before the 30th September** will be eligible to go into the Draw, which will take place at the Conference Committee Meeting on 4th October – so don't miss out!

There will be another Draw for October, so keep an eye on the deadlines!

**Accommodation:** is being booked quite quickly now, so early booking remains a priority.

At the start of this month - Berri still had some options available at the Golf Club Motel, and Caravan Park, & there was still accommodation in Renmark, Barmera, and Waikerie. (Refer Conference Website for available (and unique) options in the Riverland

Don't miss out, demand is high (as well as the Rock'n'Roll Festival, and Hot Rod Cars, there is also a major sporting event in the Riverland over the weekend)

**Events: Bookings** for the various listed events (Gala Dinner, Welcome Cocktail event etc.) continue to grow, however there are limited spaces, so don't miss out. Bus Travel **to and from the Gala Dinner** will be available so please remember to book when you register as there will be a limit to numbers.

Negotiations are also underway (**not yet confirmed**) for Golf, Tennis, and Wine Tasting so watch this space ! Come early and stay afterwards.

**Soapbox:** Thanks to those who have Registered their Events, this is shaping up to be a really inspiring part of the Programme, however – there are now only 2 or 3 places left, so don't forget to Register for this 6 minute event.

***Applications are on the Conference Website.***

**Showcase:** The variety of projects and events of Clubs is so inspiring. Please, could each Club consider the opportunity to **"Showcase" your Special Project**, and Register. Places are being filled, however there are still plenty available.

Set-up for the Showcase will close at 5.00pm of Friday 15th March, **however, special arrangements can be made** for those travelling and arriving later in Loxton, on the Friday, or very early on the Saturday.

All setup activities must be completed by 0800am before the Conference commences. To make special arrangements please contact the Showcase Coordinator, Neil Schein on 0428 841 331

**Club Banner Appeal:** For those Clubs who will contribute to the Display, please could you let me know by emailing me on: [jandrmills@bigpond.com](mailto:jandrmills@bigpond.com) or leave a message on my phone.

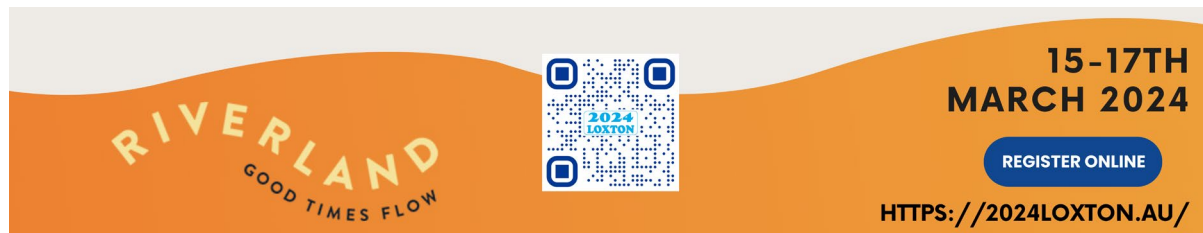

This will enable forward planning when setting up for the Conference.  
The same delivery requirements will be available for delivery of Banners as for the Showcase.

Regards
