Pilot

**February 2024 Update**

## **A world of opportunities ahead!**

### **In this update:**

- Your next impact driven role in Rotary awaits you today!
- Discover your Rotary Community Group
- Register to attend the next all member webinar
- Find out what's happening on the Regional Council

Dear Rotary and Rotaract members,

With brand new roles and groupings coming into place over the next few months, you'll soon be able to take advantage of a whole range of opportunities as part of the Pilot: new opportunities to connect with other members, to collaborate with other clubs, and most importantly, to create a bigger impact in the world!

### **Have you applied yet?**

There are **two new ways** you can use your skills to help clubs in Zone 8 reach their goals and make a difference – but applications close soon!

Perhaps you'd like to help develop Zone-wide strategies, best practices and initiatives to strengthen Rotary in our region and increase our impact. If so, you should apply to be a [Portfolio Committee Member](#).

Or maybe you want to use your skills to help clubs reach their goals and make a difference. If so, you'd be perfect for the [Rotary Specialist](#) role.

You might even be a good fit for both roles!

To learn more, [watch a recorded webinar session](#) with Regional Council Chair Dallas Booth and Pilot Specialist Lead Tania Broadbent, and download the presentation slides and speaking notes.

Apply before **Thursday 29 February 5pm Australian Eastern Daylight Time (AEDT)** so you don't miss out!

Apply to be a  
Specialist

Apply to be a Committee  
Member

## Discover your Rotary Community Group

Last year, clubs throughout the Zone were asked to submit their preferences on how they'd like to be grouped with other clubs into [Rotary Community Groups \(RCGs\)](#).

RCGs are designed to foster greater collaboration between clubs so they can work more effectively and at a larger scale than they could on their own.

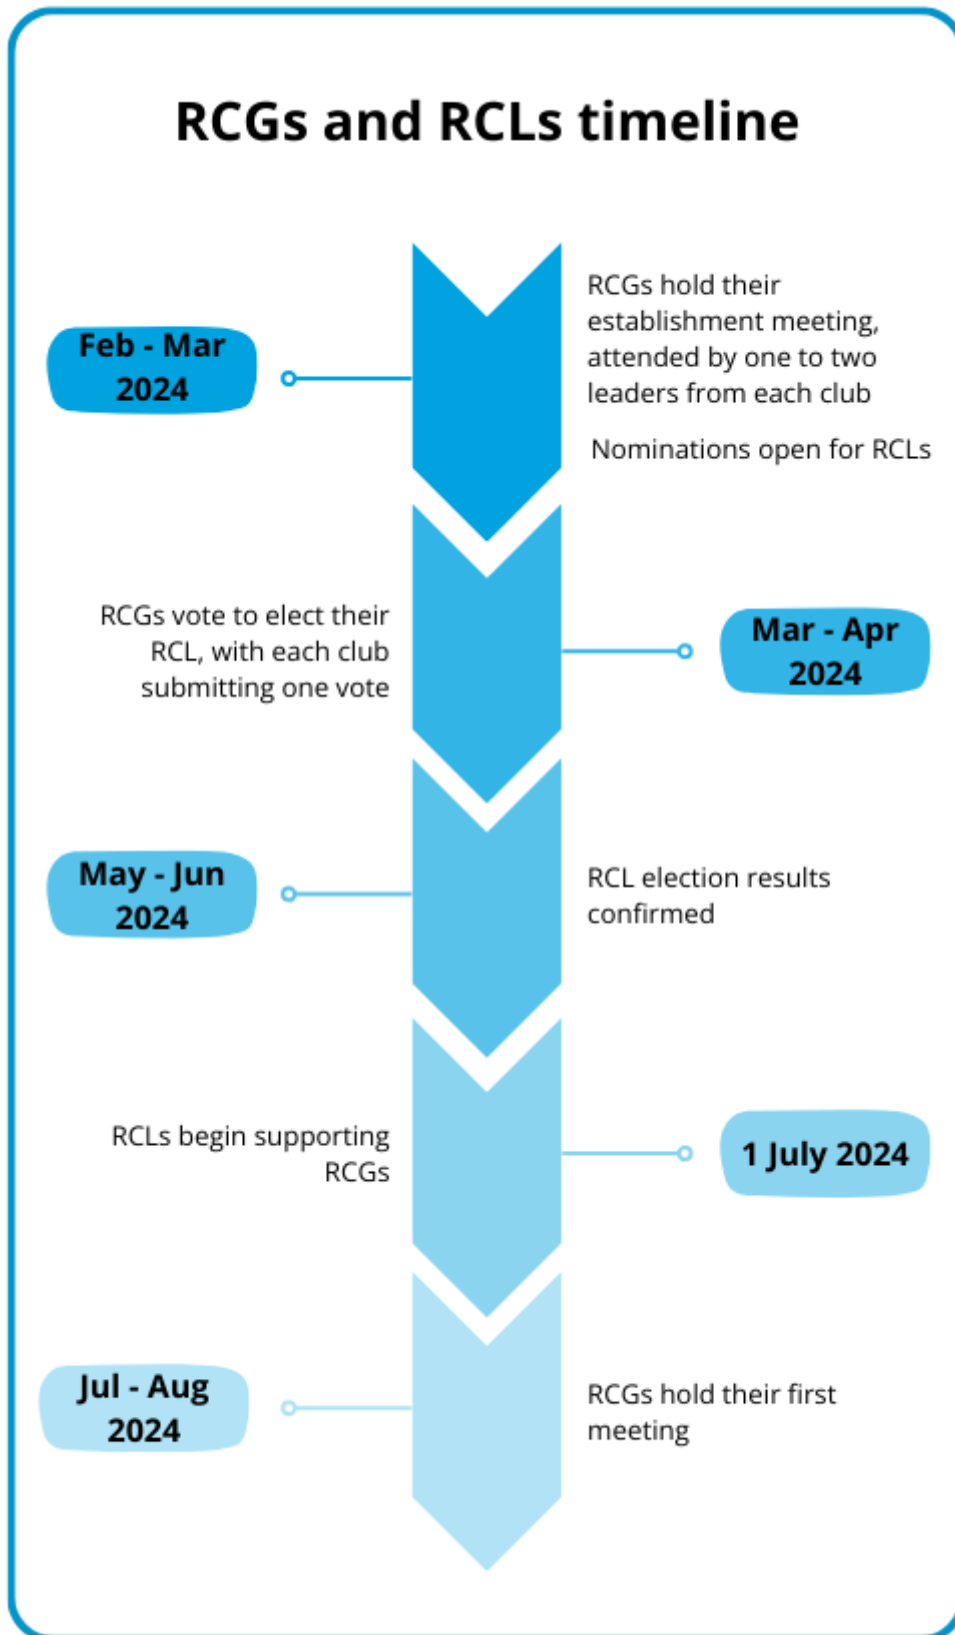

Clubs have now been placed into groups, accommodating their preferences where possible.

Find out now which clubs you've been grouped with!

Discover your RCG

Once your RCG has held its establishment meeting you'll be able to nominate yourself to become a [Rotary Community Leader \(RCL\)](#), helping the clubs in your RCG thrive and grow. Consider whether you'd be a good fit for the RCL role!

## RCGs and RCLs timeline

### Monthly webinars return

You are encouraged to join Steering Group and Regional Council members to find out the latest Pilot news on one of the following dates:

- Sunday 25 February at 4pm AEDT
- Tuesday 27 February at 6pm AEDT
- Thursday 29 February at 6pm AEDT

Register now

## Regional Council Update:

### Regional Pilot goes international

Regional Council Chair-Elect Tony Heyward met with District-Governors Elect from all around the world at this year's International Assembly.

Find out what Tony learned from his experience.
